Congressman Dale Coming.

Tuesday evening, May 28th, the Hon. Porter H. Dale, representative in Congress from the second Vermont district, will give an address in the Orleans opera house. Added point is given to the coming of Congressman Dale by his trip to Europe last summer and his experiences at the front in France. This meeting will be also the occasion of the dedication of a national flag, a service flag and an honor roll all presented to the Orleans community by the Skinner Lumber company. The flags and the honor roll will be placed in the opera house. This public patriotic meeting is given under the auspices of the Orleans Red Cross which extends a very cordial invitation to the Orleans and nearby communities to hear Congressman Dale.

Will You Take Your Change in Thrift Stamps?

The above notice neatly printed on a card and posted conspicuously in every place of business is the plan originated by F. A. Donaldson to increase the sale of these small bits of government paper that are the best security in the world.

The idea was put in operation this week and is sure to work out well. The dealer provides himself with as many stamps and as often as he wishes and the sign is a little silent salesman working to equip the boys over there.
